ANTECEDENTS

Republic Act (RA) No. 7227, as amended, mandates the BCDA to accelerate the sound and balanced conversion into alternative productive civilian uses of the Clark and Subic military reservations and their extension, and to enhance the benefits to be derived from said properties in order to promote the economic and social development of Central Luzon in particular and the country in general as well as to provide funds for the AFP Modernization Program.

In 2021, the BCDA launched the New Clark City website (www.newclark.ph) which aims to promote New Clark City as a prime business, lifestyle and sports destination in the country. Currently, the website serves as a marketing and communications platform for interested parties who would want to locate or set up their business or hold events in New Clark City. Further, the website promotes ongoing as well as upcoming developments in the area, with the end-goal of attracting investments to come to New Clark City, creating jobs for the Filipino people by generating economic activities to Central Luzon and boosting the Philippine economy.

The New Clark City Website serves as a marketing and communications platform for interested parties who would want to locate/set up their business or hold events in New Clark City. Further, the website promotes ongoing as well as upcoming developments in the area.

With the fast transition of technology, BCDA found the need to maintain and improve the current New Clark City Website. A content management system has been put in place as part of the component of the website which would assist in keeping the content updated and relevant, thus adding more value to the website. The maintenance of the website shall be required to keep the website framework up-to-date and reduce the potential of security compromise.

In compliance with Annex "H" of RA 9184, which is the Consolidated Guidelines for the Alternative Methods of Procurement, BCDA's Investment Promotion and Marketing Department (IPMD) sought the authority from the Bids and Awards Committee for Consultancy (BAC-C)'s authority to procure the consultancy services for the website hosting and maintenance. A copy of the BAC-C Resolution No. 2023-18 is hereto annexed as Annex "C" .

A Request for Proposal/Request for Quotation (RFP/RFQ) was posted at the websites of PhilGEPS and BCDA.

After thorough evaluation, validation and verification of the proposals submitted, it was found that the Consultant is competent and qualified to provide the consultancy services required by BCDA.

BCDA is desirous that the Consultant perform the hosting and maintenance of the New Clark City website (hereinafter called the "Project") and thus, BCDA has accepted the proposal for **PESOS: NINE HUNDRED THIRTEEN THOUSAND ONE HUNDRED FOURTEEN (PHP 913,114.00) inclusive of applicable taxes, fees and incidental expenses** by the Consultant for the execution and completion of such Consulting Services and the remedying of any defects therein.

ACCORDINGLY, for and in consideration of the foregoing premises, and in accordance with the stipulations and conditions hereinafter stated, the Parties hereby agree and bind themselves to the following:
