PROFILE

A highly accomplished and well-decorated career naval professional experienced in leadership and management of major commands of the Navy, the most recent of which was his almost two-year tour of duty at the helm of the Philippine Navy as its Flag Officer In Command—the highest and most coveted position in the Navy. Rose to the top command as an energetic manager and leader of a 23,000 strong sailors and marines of the Navy. An expert in a diverse spectrum of fields—naval and maritime operations, intelligence and strategic planning, national security administration, resource allocation, and organizational development. Throughout his naval career, he has established valuable networks in the maritime field from local government and non-government organizations, foreign naval counterparts, various foreign dignitaries and other overseas military leaders and diplomats. After his naval career, he joined the Energy Development Corporation (EDC), a private firm for geothermal power production, as its Senior Manager, Security Department, looking into its security concerns nationwide since 15 August 2010. He is also a Director of Bases Conversion and Development Authority (BCDA) and BCDA Management Holdings Inc. Concurrently he is the military consultant of the Vice President of the Philippines.

MAJOR ACHIEVEMENTS

- Provided managerial direction and inspiring leadership to the Navy in pursuit of the realization of a defined vision for the Navy.
- Highly commended and awarded for his successful Command and management of various major Philippine Navy units and forces.
- Initiated the successful conduct of various Maritime Security Forums from 2008 to 2010 in different Naval Forces around the archipelago.
- Successfully established and instituted the Philippine Navy Board of Advisers, a multi-governance sector coalition composed of experts and leaders in various sectors of the society.
- Provided the inspiration and proper direction towards the successful holding of ten (10) legs of the Philippine Navy Leadership Forum Series in 2009, as well as four (4) legs of the Philippine Navy Governance Forum Series in 2010.
