**BIDS AND AWARDS COMMITTEE (BAC) FOR GOODS**

**RESOLUTION NO. 2013-16**

**Geographic Information System (GIS) Maintenance Renewal**

**WHEREAS**, the Bases Conversion and Development Authority (BCDA) intends to renew the maintenance of the Geographic Information System (GIS) Software provided by Geodata Systems Technologies, Inc.;

**WHEREAS**, the said software is being used by the Land and Assets Development Department (LADD) in the creation of maps and other geographic information needed by BCDA;

**WHEREAS**, in the previous year, BCDA had renewed two (2) GIS licenses: ArcView and ArcInfo with Spatial Analyst. However, as advised by the Land and Assets Development Department, only the ArcInfo (ArcGIS Advance) with Spatial Analyst extension shall be renewed for the current year;

**WHEREAS**, ESRI, the developer of the GIS, in a letter received on 20 February 2013, certifies that Geodata Systems Technologies, Inc. is the sole authorized distributor to promote, market, distribute, install support and provide instruction for certain Esri software and related materials in the Philippines;

**WHEREAS**, Section 50 of the Revised IRR of RA 9184 under Article XVI on Alternative Methods states that:

*Direct Contracting may be resorted to by a Procuring Entity under any of the following conditions:*

- 3. Those sold by an exclusive dealer or manufacturer that does not have sub-dealers selling at lower prices and for which no suitable substitute can be obtained at more advantageous terms to the Government.*

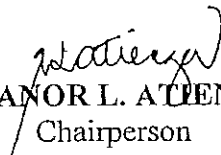

**WHEREAS**, said software has been used by BCDA since 2006 and it will be not economical and practical to invest in another GIS software considering the time and resources that have been used in building the maps and generating geographic information data;

NOW, THEREFORE, after careful examination of the documents submitted and the facts surrounding the said renewal, We, the members of the Bids and Awards Committee for Goods, hereby RESOLVE, as it is hereby resolved, to recommend:

1. The renewal of GIS Annual Maintenance thru **Direct Contracting**; and
2. The award of contract to Geodata Systems Inc. at a contract price of **FOUR HUNDRED FORTY SEVEN THOUSAND TWO HUNDRED PESOS & 00/100 (P447,200.00)**, inclusive of all applicable taxes and fees.

**RESOLVED**, at the BCDA Corporate Office this 25<sup>th</sup> day of March 2013.
