**Footnotes:**

a/ The approved PS level considers the adoption by the BCDA of the Compensation and Position Classification System (CPCS) authority issued by the Governance Commission for Government-Owned or Controlled Corporations (GCG) on May 10, 2022. The said CPCS approval expressly authorizes the BCDA to implement Tier 2 of the Category 2 Salary Structure for its two hundred fifty-seven (257) authorized positions based on their CPCS Job Grade equivalent positions, pursuant to Executive Order No. 150 dated October 1, 2021, its implementing rules and regulations, and corresponding CPCS circulars for each PS item.

b/ The approved MOOE level is computed considering the BCDA's absorptive capacity for the last three (3) immediately preceding years, wherein the highest Budget Utilization Rate (BUR) is applied to MOOE items, except those covered by NG subsidy and contracts. Meanwhile, the variance of P28,656,000.00 pertains to the effect of the preceding year's BUR.

c/ The approved CO level considers the implementation-readiness of the projects and activities under the respective CO items which are expected to be completed within the year as certified by the BCDA.

Moreover, the approved CO level also includes an allocation of P46,352,000.00 for the acquisition of transportation equipment, wherein the corresponding Authority to Purchase Motor Vehicle (APMV) for the transportation equipment amounting to P45,752,000.00 has been issued previously by the DBM per APMV Nos. C-24-0017, C-24-0018, and C-24-0041 to BCDA and its subsidiaries. Meanwhile, the corresponding APMV for the remaining transportation equipment amounting to P600,000.00 shall be issued separately, subject to the BCDA's submission of the supporting documents pursuant to Items 12.3 and 13.1 of Budget Circular No. 2022-1 dated February 11, 2022.

**Notwithstanding the aforementioned variance in MOOE, the BCDA still has the flexibility to modify its utilization within the total DBM-approved budget level.**
